

# I'm The Reason

Tank

Many nights I wondered why  
You were just somethin' in my life  
Many days I stayed at home  
Tired of life just need to be alone, yeah  
I can't see, life without you and me  
(I can't see or be anything else, oh, oh)  
You're long gone when I need you here  
(And I can't blame nobody but myself, so)  
So I'm the reason why we're apart  
I'm the reason why you won't stay  
(I'm the reason)  
I'm the cause of these broken hearts  
(Oh, yeah, yeah)  
I'm the reason why, love, I know, is leaving my life  
Many nights I followed you  
Just to see if you were telling the truth  
Many days I questioned you  
I just didn't trust what you said you'd do, oh yeah  
I can't see, life without you and me  
(I can't see or be anything else, oh yes)  
You're long gone when I need you here  
(You're long gone)  
(And I can't blame nobody but myself)  
(Yeah, yeah, yeah, yeah, yeah)  
So I'm the reason why we're apart  
(I'm the reason why)  
I'm the reason why you won't stay  
(Oh, I'm the reason)  
I'm the cause of these broken hearts  
(These broken hearts)  
I'm the reason why love, I know, is leaving my life, oh right  
So I'm the reason why we're apart  
I'm the reason why you won't stay, oh  
Oh, I'm the cause of these broken hearts, yeah  
I'm the reason why, love, I know, is leaving my life  
I'm the reason why we're apart  
(I'm the reason why, reason why)  
I'm the reason why we're apart  
(I'm the reason why)

I'm the reason why we're apart  
I'm the reason why we're  
I'm the reason why we're apart  
I'm the reason why  
Can't believe I  
I'm the reason why, oh  
Oh, I'm the reason why, oh yeah
