A nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huhWhere you from, where that at
Where you heading, what is that
What you doing, feeling that
Get that fucking cake up, open your mind [?]
Keep your distance, unless you wanna get witnessed
Me and the renegade, Glock grenade, [?]
Chop it like sumo
Nigga hungry like Cujo
Smoking that Pluto
No ticking time like hand on the rope
Nigga feel beautiful
No park brake but a nigga in neutral
You wanna roll some grass, go and do that
You ain't tryna pass, don't do that
You gotta drink the mask, don't do that
Finna act the ass, go and do that
Say what nowA nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huhGet that down, get on her, get on her
This is what, truth feels like, so uncut
I'm in love on that cline, meet [?]
White chick no hair, but what the black man yell
I shine like this, no [?]
This is good as it get, [?]
I only like hits, [?] and a nigga never miss
You see this black fist
The nigga come number one, [?]
You wanna roll some grass, go and do that
You ain't tryna pass, don't do that
You gotta drink the mask, don't do that
Finna act the ass, go and do that
Say what nowA nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huh
A nigga finna get loose, huhWe out, remember me now?

Let's dance
