Swept Away

Lace

Ooh yeahWe spent all night down by the riverside
Laughin' at nothin' and talking too much
And the moonlight was so bright in your eyes
Before I knew it, I was fallin' in loveIt was too cold to swim, oh, so we just lay there
On the bank 'til the break of day
And though we never went in the water
Oh darling, we were swept awayAnd the river rolled
And the night got cold
But you held me close
And you warmed my soulAnd we spent all night down by the riverside
Wonderin' how it happened so fast
And it sure did take us by surprise
When that morning sun it came up at lastIt was too cold to swim, oh, so we just lay there
On the bank 'til the break of day
And though we never went in the water
Deep down, we were swept awayAnd the river rolled
And the night got cold
But you held me closed
And you warmed my soulAnd we spent all night down by the riverside
Ooh babyIt was too cold to swim, so we just lay there
On the bank 'til the break of day
And though we never went in the water
Oh darling, we were swept awayThough we never went in the water
We were swept away
Ooh, we were swept away
Swept away, swept awayWe were swept, swept away
We were swept
We were swept away
We were swept
