

So Far I Have Not Found the Science

Soul Coughing

I don't mind worry following me like a dinosaur

I don't fear I am descending into the molten core

So far, I have not found the science

So far, I have not found the science But the numbers keep on circling me I don't mind worry following me like a dinosaur

I don't fear I am descending into the molten core

So far, I have not found the science

So far, I have not found the science But the numbers keep on circling me

But the numbers keep on circling me I'm gonna give you most of mine

I'm gonna give it if I don't slip you

I'm gonna give you most of mine

I'm gonna give it if I don't slip you I'm gonna give you most of mine

I'm gonna give it if I don't slip you

I'm gonna give you most of mine

I'm gonna give it if I don't slip you So far, I have not found the science

So far, I have not found the science But the numbers keep on circling me
