

# Vengeance

## Evil Activities

You better spend it real quick, shit bags  
You ain't long for this fucking world

Everybody, eat the fucking floor!

Down motherfuckers  
Down!

What are you gonna do with that  
You cheerio-bred, little motherfucker!

Oh, you cocksucker  
You don't have to worry  
She ain't never gonna hear it from your fucking lips  
Anyhow!

You fucking scumbag!  
I'll tell her all about it  
While she sucks my fucking dick!

Get the shit and let's go  
Now!

Come on fuckheads, get down!

Eat the floor fucker!  
Down on the ground  
Now, you cocksuckers!  
Very fucking carefully  
Reach into your jackets  
And take out whatever you're packing

Everybody, eat the fucking floor!

What are you gonna do with that  
You cheerio-bred, little motherfucker!

Get the shit and let's go  
Now!
