

# Nothing Left To Say / Rocks (Medley)

## Imagine Dragons

Who knows how long?  
I've been awake now  
The shadows on my wall don't sleep  
They keep calling me  
Beckoning Who knows what's right?  
The lies keep getting thinner  
My age has never made me wise  
But I keep pushing on and on and on and on There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he  
Giving up now There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he  
Giving up now Below, my soul  
I'm feelin' injured  
Collapsing as it sees the pain  
If I could only shut it out I've come too far to see the end now  
Even if my way is wrong  
But I keep pushing on and on and on and on There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he  
Giving up now There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he  
Giving up now I keep fallin', I keep fallin' down  
I keep fallin', I keep fallin' down I keep fallin', I keep fallin' down  
I keep fallin', I keep fallin' down If you could only save me  
I'm drowning in the waters of myself There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he  
Giving up now There's nothing left to say now oh oh  
There's nothing left to say now oh oh I'm giving up, giving up he he  
Giving up now  
I'm giving up, giving up he he

Giving up now Where do we go from here?  
I threw some rocks up at your window  
I broke some rocks right through your window Timber timber, we're falling down  
Let the forest hear us out Bumba rumba rum awh awh  
Bumba rumba rum awh awh Why can't I see what's right in front of me We fall, we falling  
We fall, we falling  
We fall, we falling  
We fall, we falling
