

Get Out Of This Town

Edwin McCain

It's time to get out of this town
There's no more fun to be found
I'm rolling thunder with the top down
It's time to get out, get out, get out
Crescent City high life dancing with the devil's wife
Just like some voodoo dream living on 4th and Magazine
A black rose and a chicken bone I don't know if I'll make it home
Another night at Snake and Jakes just a little more than I can take
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder with the top down
It's time to get out, get out, get out
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder with the top down
It's time to get out, get out, get out
Lear jets and Limousines found my way to the Vegas scene
Hit hard on a sixteen the pit boss is getting mean
Just waiting on my car rolling like the Junkyard
Three days and some big scars that's what it takes to be a rock star
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder with the top down
It's time to get out, get out, get out
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder with the top down
It's time to get out, get out, get out
I'm falling down
I'm falling down
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder I'm rolling thunder
I'm rolling thunder with the top down
It's time to get it's time to get out
It's time to get it's time to get out, get out
It's time to get out of this town
There's no more fun to be found
I'm rolling thunder I'm rolling thunder
I'm rolling thunder with the top down
It's time to get out of this town
There's no more fun to be found
You're scare for gonna hopefully down
Get out, get out, get out, oh yeah
