Love And Affection

Daley

I am not in love
But I'm open to persuasion
East or west, where's the best?
For romancing
With a friend I can smile
But with a love I can hold my head back
And really laugh, really laugh
Thank you
You took me dancing
Cross the floor, cheek to cheek
But with a love I can really move, really move
I can really dance, really dance
Now if I can feel the sun in my eyes
And the rain on my face
Why can't I feel?
Love and affection
Sing me a love song
But this time with a little dedication
Sing it, sing it, yeah
Yeah
With friends I still feel insecure
Little darling I believe you could help me a lot
Just take my hand and lead me where you will
No conversation, no wave goodnight
Make love, with affection
Sing me a love song
But this time with a little dedication
Sing it, sing it, yeah
You know that's what I need
So sing it, sing it, sing it
Give me love, give me love
Love, love, oh yea
Love...
Give me love, love love love
Make love, make love
Make love, with affection
Sing me another love song
But this time with a little dedication
