Punch Rocker

Emma Roberts

You can't always be fabulous or in control
Sometimes you just got to roll
With the punches or the punch bowl
I can handle a few new namesCall me punch rocker puncherella
Punch master Peter punchkin' head
Punchy Maggie Addie punch face girl
So punch in your karaoke for
Princess Punchanokie you betta get to know me
I pack a mean punchI'm a punch rocker
I'm a punch rocker
I'm a punch rocker
I'm a punch, punch, punch, punch rockerLast year when they called me names
I was mad and so ashamed
Fell into the punch bowl, I'd thought it'd be the same
Somehow I just don't careI'm punch rocker puncherella
Punch master Peter punchkin' head
Punchy Maggie Addie punch face girl
So punch in your karaoke for
Princess Punchanokie you betta get to know me
I pack a mean punchI'm a punch rocker
I'm a punch rocker
I'm a punch rocker
I'm a punch, punch, punch, punch rockerI'm punch rocker puncherella
Punch master Peter punchkin' head
Punchy Maggie Addie punch face girl
So punch in your karaoke for
Princess Punchanokie you betta get to know me
I pack a mean punchPunch like a butterfly, punch like a bee
Punch back, wisecrack, can't watch me
I'm punching in Paris, I'm punching in Rome
I've made the Punching playoffs going to the punch bowlI'm a punch rocker
I'm a punch rocker
I'm a punch rocker
I'm a punch, punch, punch, punch rocker
