Love Of My Life

[Dan Hill](#)

You are the love of my life
And you are the reason I'm alive
And baby, baby, baby
When I think of how you saved me
I go crazy, wowAnd I've never known love like this
It fills me with a new tenderness
And I know, I know, I know
You're in my heart, you're in my soul
You're all I can't resistAnd I need to tell you, the first time I held you
I knew you are the love of my lifeAnd I spent a lifetime waiting
Always hesitating until you, oh
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know is I need you, I need youYou are the love of my life
And all the joy and the tears that I cry
And baby, baby, baby
You don't have to say a word
I see it in your eyesAs we stand together, I promise forever
'Til the day that I die, you are the love of my lifeI spent a lifetime waiting
Always hesitating until you, oh
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know is I need you, ohYou are the love of my life
You are the reason I'm alive
