Goodbye

Godhead

You never listen to a single word I say
But if you heard me you'd ignore me anyway
I fight a battle with you every single day
I guess you'll never know the price I have to payWhy try?
This lullaby won't dry my eyeGoodbye cruel lie, your time is over
Goodbye cruel lie, your sound is silent nowThe clever workings of a haunted mind leaves me maligned
A ceaseless cavern of regret entwined, panic redefined
It's not a question of truth, it's just a matter of
'Time to put our heads together'
Before I go it alone I've got to know if you're
Here to help me or to break meWhy try?
This lullaby won't dry my eye
Your senseless lies are your demiseGoodbye cruel lie, your time is over
Goodbye cruel lie, your sound is silent nowGoodbye cruel lie, your time is over
Goodbye cruel lie, your sound is silent now
Now
