

Blind (feat. Emmi) - Danielle Diaz Remix

Feder

I'd figured out
There wasn't a doubt
In my mind I was
So blind to it
So obvious now
Now I can see how
Them late night set you
On fire then you
You pulled a face I've seen
Only in magazines
Can't look you in the eye
I wanna run and hide
Heart stops and can't breathe
what did you say to me
It right down blow my mind
Didn't see, it coming coming coming
Didn't see, it coming coming coming
Didn't see, it coming coming coming
Didn't see, it coming coming comingI didn't didn't know
I didn't didn't
I didn't didn't know
I didn't didn't
I didn't didn't knowI'm sorry I ran
With scissors in hand
I'm so young that was
Straight dumb of me
Hand out off the sand
Now I understand
I'm numb I was
Undone the you
You pulled a face I've seen
Only in magazines
Can't look you in the eye
I wanna run and hide
Heart stops and can't breathe
What did you said
It down right blew my mind
Didn't see, it coming coming coming
Didn't see, it coming coming coming
Didn't see, it coming coming coming
Didn't see, it coming coming comingI didn't didn't know

I didn't didn't
I didn't didn't know
I didn't didn't
I didn't didn't knowIt's so bright
You make it all shine
When I saw you tonight
It was like the first time
And I could one night
Turn me down upside
When I saw you tonight
It was like the first time
And I,I didn't didn't know
I didn't didn't
I didn't didn't know
I didn't didn't
