Dont come and walk back into my house.  
When you told me that you figured it out.  
When you told me that you figured it out.  
The day you told me, some day you'll know me.  
Your a bitch.  
some day you'll know me.  
Your a bitch.  
some day you'll know me.  
Your a bitch.  
Some day you'll know me your a ...
