Royal

My body is the ship your soul is the passanger
So let me take a trip down
let me take a trip down to you
they say its such a small world but often i feel lost and empty
they say its such a cruel world
but one good heart is plentybut one good heart is plentythey say its such a small world but often i feel lost and
empty
they say its such a cruel world
but one good heart is plentybut one good heart is plenty
but one good heart is plentyyy
