

Everything Impossible

MercyMe

I was taught to be practical in everything I do
Holding on to what is tangible, and then came You
That's when I found myself so far away, from everything I knew
I took a leap of faith Even though You're difficult for me to explain
I know I'll never be the same
You're everything I cannot see
You're everything I cannot say I know it all seems so illogical
But that's okay
You're the love You give to me
You're the love I give away You are everything impossible
And that's okay
That's okay!

All the things that make no sense to me, draw me to You Like finding freedom by surrendering, can it be true
With everything I can and cannot know
This mystery is bringing life to me
And all this love I have for You I can't contain I know I'll never be the same
You're everything I cannot see
You're everything I cannot say
I know it all seems so illogical But that's okay
You're the love You give to me
You're the love I give away
You are everything impossible And that's okay
That's okay
What's so hard to understand
What I cannot comprehend Is that You love me the way I am
You're everything I cannot see
You're everything I cannot say
I know it all seems so illogical But that's okay
You're the love You give to me
You're the love I give away
You are everything impossible And that's okay
You're everything I cannot see
You're everything I cannot say
I know it all seems so illogical But that's okay
You're the love You give to me
You're the love I give away
You are everything impossible And that's okay
And that's okay
