

Before the Day Is Over

Jabez

1. God promised to take care of all his children, when they are going through some rough times in their life. When it seems all is fallen, and the devil tells you, you cannot win. Only believe, put your faith and trust in the lord, he will deliver you right on time.

2.. Before the day is over, before the night is through. You will find the answer God will come through for you. You've been praying for deliverance, but God's word gives assurance, before the day is over. God will come through for you..

Cho..

Whenever you are faced with your problems,
Give them to Jesus, For I know he lifts up heavy burdens. He's a faithful friend to those who love and trust him.
There is nothing too hard for my God to do .. He is a mighty God, the prince of peace, there is no one like the
lord, remember there is balm in Gideon. God will come through for you.
