

Today I Started Loving You Again

Merle Haggard

Today I started lovin' you again
I'm right back to where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again What a fool I was to think I could get by
With only these few million tears I cried
I should have known the worst was yet to come
And the crying time for me had just begun 'Cause today I started loving you again
I'm right back to where I've really always been
I got over you just long enough to let my heartache mend
Then today I started loving you again
