Do You Really Want an Answer?

Zapp

Do you really want answer
Do you really want to know
Do you really want answer
Do you really want to know
Do you really want answer
Do you really want to knowI sit here by my window (All alone)
And listen to the breeze blow (Hm)
I wonder why it happens
Or do I really wanna know (Mm, mm, hm, mm)It seems like just yesterday
I had everything in this whole wide world
(Where is that girl) Help me somebody
(Where is that girl) Help me somebody
(Where is that girl) Won't somebody tell me
Where is that girl, where is that girl, where is that girlDo you really want answer (Ah, ho, ho)
Do you really want to know (Mm)
Do you really want answer (Whoa, whoa, ho, yeah)
Do you really want to know (Yeah)
Do you really want answer (Uh-huh)
Do you really want to knowIs this really, really happenin' (A dream)
Am I alone tonight
I had such a lovely lady
Why couldn't I treat her rightShe gave me everything I ever needed
With love warm and tender, yeah
What kind of fool was I (Whoa)
To ever let her goSomebody tell me where can she be
(Where is that girl) Huh, help me somebody
(Where is that girl) Help me somebody
(Where is that girl) Won't somebody tell me
Where is that girl, where is that girl, where is that girlDo you really want answer (No, no, no, no)
Do you really want to know (Ooh, ooh)
Do you really want answer
Do you really want to know
Do you really want answer
Do you really want to knowIs there any room, uh-huh
For reconsideration
My whole world depends
On our reconciliationHave I lost you, girl
(Do you really want to know)
Oh, oh, are you gone for good

(Do you really want to know)Somebody told me
They saw you at the club
Sitting with a friend
(Somebody tell me, somebody tell me)
Have you found another love, baby
Have you found another loveDo you really want answer
Do you really want to know
Do you really want answer (Ho, ooh)
Do you really want to know (Mm, hm)
Do you really want answer (Ho, ooh)
Do you really want to know
Do you really want answer
Do youOoh, yeah
Ooh, yeah
Ooh, yeah
Ooh, yeah
Yeah, yeah, yeah, yeah, yeah,
yeah, yeah, yeah, yeah, yeah,
yeah, yeahDo you really want answer
Do you really want to know
Do you really want answer
Do you really want to know
Do you really want answer
Do you really want to know
