

# Push

## Bleach

Why don't you condone it  
Why don't you set me free  
I don't think you own it  
'Cause it belongs to meAnd if I ever want to take it back  
You try to lie and hide it  
Look who's laughing last  
Everyone around me thinks they knowThey try to see it  
But I don't let it show  
Stay out of my business  
Keep your hands off my doorI've got a bed  
I'd rather sleep on the floor  
Screaming in my head  
I don't like it anymoreNo place to go  
Leave me alone  
I don't want to knowNobody ever seems to understand  
Every day I wake up  
And do the best that I can  
I've got my problemsYou've got yours too  
You try to label me  
Have you ever looked at you  
Nobody's perfectI really think you do  
And if you are why am I standing next to youNo place to go  
Leave me alone  
I don't want to knowI spin my wheels and try to figure it out  
What's going on  
And what's it all about  
Where did I go wrongI think I'm having my doubts  
About what you said  
And what you're going to do  
I'm so pissed offI blame it on you  
I've done it all  
There's nothing left for me to do  
What's going on  
Piss on youNo place to go  
Leave me alone  
Don't want to know
