

Rainy Night Song

[Jon Pardi](#)

It sure is pourin'™ down tonight
It hasn't™ stopped since nine
And it's™ poundin'™ on the roof
Where under it I used to sleep with you
So good but not this time
We've™ gone so far apart since goodbye
And I couldn't™ feel more alone tonight
And you're™ the only thing that's™ on my mind

And the thunder cries
And lightnin'™ strikes
That's™ when I would hold you tight
And say everything's™ gonna be alright
Everything's™ gonna be alright
I'd™ make you laugh to see you smile
I'd™ get real close and whisper goodnight
And I'm™ layin'™ down thinkin'™ 'bout
All the things we could do
'Cause this rainy night's™ no fun
Without you

Yeah I should be cleanin'™ my closet
Fixin'™ that drippin'™ water faucet
Anything to keep my mind from runnin'™ back to you
Instead I'm™ lookin'™ up at the ceilin'™
With that same old missing you feelin'™
Wonderin'™ if you're™ thinkin'™ the same thing too

And the thunder cries
And lightnin'™ strikes
That's™ when I would hold you tight
And say everything's™ gonna be alright
Everything's™ gonna be alright
I'd™ make you laugh to see you smile
I'd™ get real close and whisper goodnight
And I'm™ layin'™ down thinkin'™ 'bout
All the things we could do
'Cause this rainy night's™ no fun

Without you

Yeah I know we had to end it baby
Weâ€™re pretty good at drivinâ€™ each other crazy
But I will always love you

And as the thunder cries
And lightningâ€™ strikes
Thatâ€™s when I would hold you tight
And say everythingâ€™s gonna be alright
Everythingâ€™s gonna be alright
Iâ€™d make you laugh to see you smile
Iâ€™d get real close and whisper goodnight
And Iâ€™m layinâ€™ down thinkinâ€™ â€™bout
All the things we could do
â€™Cause this rainy nightâ€™s no fun
Without you
Just ainâ€™t no fun without you
