On Borrowed Time

The J. Geils Band

How fast it happen
How soon it was gone
You could have been all mine
But time moves on

Well, I remember
How hard I forget,
I know I'll get over you
But it ain't happen yet

On borrowed time
On borrowed time

I borrowed some love
That never was mine
How close we could have been
If this was your home

It hurt me so bad
Each night I was alone

On borrowed time
On borrowed time

I borrowed some love
That never was mine
Alright!
Gimme back my love
Wow! Come on baby

On borrowed time
On borrowed time

On borrowed time
On borrowed time

I borrowed your love, baby

On borrowed time
On borrowed time, baby

On borrowed time
On borrowed time
