

How We Roll

Plushgun

From the parking lot
You see our lights on
You see us coming fast you hide cause I know
Drinkin' from empty cans
You see the pins we're wearin'
Of band's you'll never know will drive you crazy And this is how we roll
Driving through the summer air
And this is how we roll
The suburban pioneers Hey you cheerleaders
We're superior
We're only losers till we reach the end of senior year
We never comb our hair
Our clothes are out of fashion From our old abandoned cars we'll blast the clash out And this is how we roll
Driving through the summer air
And this is how we roll
The suburban pioneers
And this is how we roll
With the black dye in our hair
And this is how we roll
We're the rebels of senior year Hey consumer girls
In your motorcades
'Cause that's what daddy buys a new mercedes
But you would laugh at us
Back in junior high
As we lost track of time in dreams of grandure Tell me, tell me
Who's the one gone VIP yea
Tell me, tell me
Where's your boyfriend
Tell me, tell me
Do you want my autograph
Tell me, tell me
How that feels now And this is how we roll
Driving through the summer air
And this is how we roll
The suburban pioneers
And this is how we roll
With the black dye in our hair
And this is how we roll
We're the rebels of senior year Won't you tell me that you're sorry now

'Bout the 10 years wasted time
When you avoided my sight 'cause I was crushin' you
Oh your standards were so high
But we'll sit in our cars and blast our tunes
'Cause the music saved our lives
Will the world love us we'll never know
Will you wish you could go back, go back back in time(tell me tell me)
Do you want to
(tell me tell me)
Tell me baby
(tell me tell me)
It's ok you want me And this is how we roll
Driving through the summer air
And this is how we roll
The suburban pioneers
And this is how we roll
With the black dye in our hair
And this is how we roll
We're the rebels of senior year
