

# Good Guy

## Boyz II Men

I don't understand your thinkin'  
You wanna be happy, guess I was mistaken  
Baby want my love one night, then just  
Say you don't want me  
'Cuz something is missin' Baby girl, you want it and you know it's true  
All that I was doin', it meant nothing to you  
And if I dogged you out, we'd probably be cool  
But I was good to you, so good Don't you want a guy that's real nice  
That'll spend all his doe and his time  
Then you change your mind and want a thug guy  
That won't act right  
It doesn't pay to be the good guy  
You callin' me on late nights  
Tellin' me how he won't act right  
Stayin' with him but he makes you cry  
Tell me why  
Doesn't pay to be the good guy Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why? I don't understand your reason  
Sayin' you love me, then sayin' you're leavin'  
The situation here is really changin'  
Don't wanna fall in love 'cuz you play me Oh  
You gotta be kiddin' me  
No  
Been tryin' to get rid of me  
I do more for you than any brother would do  
I was good to you, so good Don't you want a guy that's real nice  
That'll spend all his doe and his time  
Then you change your mind and want a thug guy  
That won't act right  
It doesn't pay to be the good guy  
You callin' me on late nights  
Tellin' me how he won't act right  
Stayin' with him but he makes you cry  
Tell me why

Doesn't pay to be the good guy Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why? I was good to you  
Played the fool for you  
You messed it up for the next girl in my life  
I never knew  
Do the things I do for you  
Our love just wasn't true  
I was good to you, so good to you  
So good to you  
Every time I try Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why? Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why? Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why? Every time I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why? Tell me why? Tell me why? Why should I be the good guy?  
And be left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why? Tell me why? Tell me why?
