

# Panic Attack

UNKLE

As I juxtapose  
Between lock and load  
Gotta cut some slack  
Between these back to back panic attacks  
(panic attack panic attack)I love the madness  
It's killing me  
Our love is behind  
And I'm so blind I cannot seeAs I juxtapose  
In between lock and load  
Gotta cut some slack  
Between these back to back panic attacks  
(panic attack panic attack)I love the madness  
It's killing me  
Our love is behind  
And I'm so blind I cannot see  
I love the madness.
