My Federation

Ba Ba Ba Ba Ba Ba Ba Ba Ba Baaa
Ba Ba Ba Ba Ba Ba Ba Ba Ba Baaa
Ba Ba Ba Ba Ba Ba Ba Ba Ba Baaa
Ba Ba Ba Ba Ba Ba BaaVerse 1:
 Its war, she said,
 As she turned on the T.V set
 Tuned in, through the snow
To the nightly news reel showVerse 2:
 Where a voice confirmed our fears
 As she stifled back the tears
And declared shed watched the highlights
 On T.V!Pre-Chorus:
Count to three Ill be back home soon
 Count to threeeeeChorus:
 What gods are these?
 To justify these deeds
 Not mine, Im sure
Could this really be the cure?Chorus 2:
 They'll be dancing in the streets
 And kissing our boys' feets
 Till blood begins to flow
On your breakfast T.V showVerse 3:
 We flew for hours
 And we all took communal showers
 And we wondered at the heat
As our boots melted to our feetVerse 4:
 And I donned my armored vest
 Walked out with all the rest
 Straight into what I thought must be
 a dream!Pre-Chorus:
Count to three Ill be back home soon
 Count to threeeeeChorus:
 What gods are these?
 To justify these deeds
 Not mine, Im sure
Could this really be the cure?Chorus 2:
 They'll be dancing in the streets
 And kissing our boys' feets
 Till love begins to flow

On your breakfast T.V show
Ba Ba Ba Ba Ba Ba Ba Ba Ba Baaa
Ba Ba Ba Ba Ba Ba Ba Ba Baaa
