Hear Me

Tedeschi Trucks Band

When I watched you walk away
I knew I'd gone too far
I'm on my knees to plead for mercy
Don't want to live and hurt alone
If you feel like I feelThen come on, baby
You must remember
That we're one in a million years
And then maybe you will remember
That we were always going to work it outI just wanna say
(I don't wanna see that day)
I don't wanna to wait until our love is gone
Come on and feel me
I don't wanna live in pain
I don't wanna love in vain
Can you hear me?Since you saved me from myself
I'm going to live for love
Ride the wind wherever it may take us
And lay it down and grow, oh yeah
If you feel like I feelThen come on, baby
You must remember
That we're one in a million years
And then maybe we could do it over
Hold each other 'til the world just disappearsI just wanna say
(I don't wanna see that day)
I don't wanna to wait until our love is gone
Come on and feel me
I don't wanna live in pain
I don't wanna love in vain
Can you hear me?And if you turn your back on me
I won't believe you don't believe
All the days that pass us by
Our flame will carry onI just wanna say
(I don't wanna see that day)
I don't wanna to wait until our love is gone
Come on and feel me
I don't wanna live in pain
I don't wanna love in vain
Can you hear me?Oh (I don't wanna see that day)
I don't wanna to wait until our love is gone (our love is all gone)

Can you feel me
I don't wanna live in pain
I don't wanna love in vain
Can you hear me? (ooh)Ooh, ooh
