My Man

Anymood & Markus Greg

Youâ€™re my man
(laughs)
You want to be my man
Youâ€™re my boy
And my love
My man
Youâ€™re my man
My boy
Youâ€™re my man
(Laughs, aaahh)

My man

Whenever Iâ€™ve felt so crazy bad
Whenever I lose my faith
You are always there
In my mind
Whenever Iâ€™m walking in the rain
Whenever I close my eyes
You are always there in my mind

You want to be my man

Whenever Iâ€™ve felt so crazy bad
Whenever I lose my faith
You are always there
In my mind
Whenever Iâ€™m walking in the rain
Whenever I close my eyes
You are always there in my mind

Always be my man who smiles
Always find you in my life
Cause youâ€™re my man youâ€™re my boy youâ€™re my love

If anything just went so wrong youâ€™re always here to save my soul
Cause youâ€™re my man youâ€™re my boy youâ€™re my love
Always be my man who smiles
Always find you in my life
Cause youâ€™re my man youâ€™re my boy youâ€™re my love

If anything just went so wrong youâ€™re always here to save my soul
Cause youâ€™re my man youâ€™re my boy youâ€™re my love

Youâ€™re my man
Youâ€™re my man
Youâ€™re my boy
Youâ€™re my man
You want to be my man
Youâ€™re my boy
Youâ€™re my man (3x)
Cause youâ€™re my man youâ€™re my boy youâ€™re my love
My boy
Youâ€™re my man
