

# Gecko (Overdrive) (Matrix & Futurebound Remix)

## Oliver Heldens & Becky Hill

Take a moment for yourself  
Get close with the lights down low  
You and I and no one else  
I get the feeling that I wanna explodeBaby, you grab my attention  
Tension burning, fever high  
Take me to another dimension  
Tonight the rules do not applyI can't stop this feeling, baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdriveI can't stop this feeling, baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive  
This is where I wanna be  
Hands up, feel the bass in my heart  
Give me faith and I will leave  
I take the risk 'cause you're never too farRight now I'm drowning in emotion  
Caution flies right out the door  
Baby, you're pushing this devotion  
I can only ask for moreI can't stop this feeling, baby  
Only you can make me come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdriveWhen my head is spinning, all hands to the ceiling  
I begin to come alive  
When we're crashing, let's have passion  
Boy, you've got my heart on overdrive  
Overdrive (got my heart on overdrive)  
Overdrive (got my heart on overdrive)  
Overdrive (got my heart on overdrive)  
Overdrive
