

# Stunnas (ft Jermaine Dupri)

## Jagged Edge

Stunna shades,  
Fluid in my cup,  
We up in the club,  
We gon tear it up  
We gon tear it up  
Stunnas on  
Stunnas on  
Stunnaas on  
Stunnas on, got my stunnas on  
Stunnas on, got my stunnas on Now middle of the day grippin' 12 0 clock at night  
You'll never catch me without my stunnas on  
I be on that green I be cheifen mean forgot my Vsine  
But I got my stunnas on they don't wanna let me in the club wit em on  
Say i'm lookin' like a thug wit em on (wit em on)  
I take em off I get in and put em right back on  
You'll never catch yo boy without his stunnas on Big whips or rocks we goin' get 'em  
Loose lips ain't leavin' out now we wit 'em  
Any top notch dime in ya city we wit 'em  
Don't stop late night till the morn keep the stunnas on  
If its fresh or flashy yes we wit it  
Got kicks so quick the first to go get it  
Before u approach that dyme prolly already hit it  
Don't waist time steady on my grind wit ma stunnas on Now we sailin' in the mall homie ice got it all  
Know I b doin' it wit my stunnas on  
Catch me on the ave hand up on the dash  
Hands b turnin' so fast who's dat wit dem stunnas on  
My eyes tinted got a lean in the lac  
Let a nigga look g in the lac  
I'm a boss these cost runnin' to bring I know  
Told ya never catch yo boy without his stunnas on Like this big whips or rocks we gon get 'em  
Loose lips ain't leavin' out now we wit 'em  
Any top notch dime in ya city we wit em  
Don't stop late night till the morn keep the stunnas on  
If its fresh or flashy yes we wit it  
Got kicks so quick the first to go get it  
Before u approach that dime prolly already hit it  
Don't waist time steady on my grind wit ma stunnas on I got my stunnas on Cardier made  
Wood grain frame wit my name in the shades  
And when I wanna switch it up I put dem garda d's on

Same stunnas wood goin' now they all chrome  
I read in em beat in 'em eat in 'em  
Shorty say she love it so she let a niggas beat in 'em  
Its a important part of my attire apart of my fresh  
I cant leave home without 'em like my american express  
I'm 4rm the a where its mandatory gotta ride some  
Hit the mall man every day buy some  
The bigger the better the harder to stunt  
He ain't doin' it like me baby tell 'em stop frontin' Like this big whips or rocks we gon get em  
Loose lips ain't leavin' out now we wit em  
Any top notch dime in ya city we wit em  
Don't stop late night till the morn keep the stunnas on  
If its fresh or flashy yes we wit it  
Got kicks so quick the first to go get it  
Before you approach that dime prolly already hit it  
Don't waist time steady on my grind wit ma stunnas on Soon as we walk in watch yo chick  
Cause you know yo chick is gonna watch me  
Bet she gonna like what she see  
Cause I always got my stunnas on  
Cause I always got my stunnas on  
Stunnas on  
Stunnas on  
Stunnas on  
Stunnas on, got my stunnas on  
Cause I always got my stunnas on
