

Can't Get Enough

Suede

I feel real now walking like a woman
And talking like a stone age man
I feel real now talking like Buddha and
Doing it again
I get kicks I rip it up kick it up
Take it like a teenage tough
And I feel real now talking like sugar
And shaking that stuff
Singing "I can't get enough"
Singing "I can't get enough" I feel schitzo everso psycho
Kicking at an old tin can
I feel real like a man like a woman,
Like a woman, like a man
I make deadspace feel like a head case
Take it like a teenage tough
I feel real now watching those wheels
And shaking that stuff,
Singing "I can't get enough"
Singing "I can't get enough" Singing "I can't get enough"
Singing "I can't get enough" I feel real now walking like a woman
And talking like a stone age man
I feel real now talking like Buddha and
Doing it again
So gimme this and gimme that
Smother me and gimme some of that bad stuff,
I feel real now talking like sugar
And shaking that stuff,
Singing "I can't get enough"
Singing "I can't get enough"
Singing "I can't get enough"
Singing "I can't get enough"
