Behind These Walls

No Warning

Our lives are changing
There's nothing we can do
To stop everything from spinning around
Crashing downIf there's a problem
I know it's just me
At the end of the day
You fuckin' face it aloneDon't ask if I'm okay
It's not okay
Don't fucking say it isThink about how to arrange your life
Don't let it run into mine
And we'll be fineBehind these walls I've made
I shut you all out now so easily
I will protect myself
It's how I live, never forget, never forgive
