Without You

Kevin Skinner

I don't know if I could be that strong
I don't know if I could carry on
I don't know what in the world I'm gonna go
Its not the same here without youWithout you I'm just hanging on
Searching for the thin line between right and wrong
Without you I'm just lost in a crowd
Without you, girl, around
Without you, without you
I close my eyes and try to see your face
I wonder girl, if you ever feel the same
Reach and touch you but you're never there
Sometimes this whole world just don't seem fairWithout you I'm just hanging on
Searching for the thin line between right and wrong
Without you I'm just lost in a crowd
Without you, girl, around
Without you, without you
Without you I'm just hanging on
Searching for the thin line between right and wrong
Without you I'm just lost in a crowd
Without you, girl, around
Without you, without youI don't know if I could be that strong
