This is not a love song
This is not a love song
This is not a love songThis is not a love song
This is not a love song
This is not a love song
This is not a love songHappy to have, not to have not
Big business is very wise
I'm crossing over into
E-enter-prizeLove song
Love song
Love song
Love songI'm going over to the other side
I'm happy to have not to have not
Big business is very wise
I'm inside free enterpriseI'm adaptable
I'm adaptableI'm adaptable and I like my new role
I'm getting better and better
And I have a new goal
I'm changing my ways where money appliesThis is not a love song
This is not a love song
This is not a love song
This is not a love songNow are you ready to grab the cradle
That tunnel vision-not television
Behind the curtain-out of the cupboard
YYou take the first train-into the big world
Now will I find you-now will you be thereThis is not a love song
This is not a love song
This is not a love song
This is not a love song
