

# He Was a Friend of Mine

**Bobby Bare**

He was a friend of mine he was a friend of mine  
He died without a penny he didn't have a dime he was a friend of mine  
He died neath the midnight sun he died neath the midnight sun  
His wanderin' days are over his loneliness is done  
Yes he died neath the midnight sun I have a lot of buddies in my time but he was the best buddy I ever had  
The kind of friend you can lean on and turn to when times 're goin' bad  
He could have been a rich man or maybe he could be the President  
But he was just a friend of mine the one who had died without a cent  
I soughed away and cried I soughed away and cried  
Tears fell like raindrops the night my best friend died  
He was a friend of mine he was a friend of mine
