

# Transistors Gone Wild

## Network

This is the age of make-believe  
Or a reality series  
Television, murder city dreaming of tomorrow  
Am I alive or fantasy? Give me murder, give me loss  
Turn this city into dust man  
My brain is melting and it smells like a volcanoJapanimation surgery  
Drinking nuclear energy  
Reservoir spewing toxic shout there's no tomorrow  
Drinking nuclear energyGive me murder, give me loss  
Turn this city into dust man  
My brain is melting and it smells like a volcanoGive me murder, give me loss  
Transistors  
Give me murder, give me loss  
TransistorsGive me murder, give me loss  
Transistors  
Give me murder, give me loss  
Gone wild
