

Fell In Love With an Alien

The Kelly Family

Out in the fields
Where the farmers grow bread
When called for the meals
They took for the shed
Then dark came to fall
And silence was all
A beauty shone bright
Surrounded by light

I fell in love with an alien
Fell in love with her eyes
Fell in love with an alien
I'm telling you no disguise
I'm in love with an alien
I'm in love with her eyes
I'm in love with an alien
I'm telling you no disguise

She came looking out babe
For a Romeo 'caus
She ain't looking out babe
For a homeboy
I fell in love with an alien
Fell in love with her eyes
Fell in love with an alien
I'm telling you no disguise

The moon went to bed
The sun growing red
A scarecrow appeared
And chased her in fear
She send me her love to me
And then we did grow
A big family

I fell in love...
She came looking out...
She ain't looking out...

I fell in love with an alien

Fell in love with her eyes
Fell in love with an alien
I'm telling you no disguise
I'm in love with an alien
I'm in love with her eyes
I'm in love with an alien
I'm telling you no disguise
