

Groovy Time for a Movie Time

Soda Dog Refreshment Squad

It's a groovy time for a movie time,
so grab your gatt and grab a seat.
But don't forget to get something to eat.
Delicious meat and nutritios meat.
You can't beat my meat for a special treat.
Sucking on me is really neat.
Don't be a jerk and don't be a fool,
be a good neighbor and follow these rules:What are these rules?
Remember to keep your shoes on at all times.
Don't pull your penis out,
unless you really need too.
Indecent exposure is a class two felony.
