

Peas and Carrots

Salt The Wound

Your eyes have burned a hole right through my heart.
And I don't know if I will survive.

And this sun rise, I've seen so many in your eyes,
This sunrise this sunrise.
Tell them, tell them all that I'm dead.
Tell her that she's won.
Tell them, tell them all that I'm dead.
Tell her that i hope she is happy.
Alright? Your eyes have burned a whole right throught my heart and I...

Don't tell me you love me,
If these words you say aren't true.
And if they are?
How can I ever trust you.
You've lied before.
You've lied so many times.
You've lied before, and your lying tonight.
It's alright.
It's alright.
I hope to hear from you soon and,
I know you won't let me down we've,
Been through so much together that,
It'd be a shame if you gave up now.
