Breakable

Meaghan Smith

I've been keeping this thing under lock and key,rnin my rib cage where no one can see,rnhidden away, trying to keep it safe, waiting for someone pure and truernrnEnter you and i'm blown away,rnby all the music dancing through my veinsrnand my rib cage can no longer contain, it may be mine but it belongs to yournrnBaby it's wonderful, it's undeniable, it's unmistakable, rnbut so you know, you know, you know, it's breakablernrnLike it was tailored and made, it fits you perfectly,rnit's the puzzle piece and those spaces between,rnfingers and mine were always meant to be, 'cause when i give, i give for keepsrnrnBaby it's wonderful, it's undeniable, it's unmistakable, rnbut so you know, you know, you know, it's breakablernrnOh how sweet is this for me,rnhow did you know that it's just what i was wishing for?rnrnBaby it's wonderful, it's undeniable, it's unmistakable,rnbecause i know, i know, i knowrnrnBaby it's wonderful, it's undeniable, it's unmistakable,rnbecause we know, we know, we know, it's breakablernrnIt's breakable,rnIt's breakable,rnIt's breakable
