

# Stars

## t.A.T.u.

How did we ever go this far?  
You touch my hand and start the car  
And for the first time in my life  
I'm crying Are we in space? Do we belong?  
Someplace where no one calls it wrong  
And like the stars we burn away  
The miles Ya zvezda, ty zvezda  
Nas prikazano szhech'  
Kto-to sdal I dostal  
Adresa nashikh vstrech Potolki po glazam  
I nikto ne naidyet  
Soskol'znut golosa  
I slomayetsya lyod I nich'ya bez klyucha  
I mogila postel'  
I pora vyklyuchat'  
I oni na khvoste Ulybnis', razvyazhi  
Zanaves' zerkala  
Razorvi, I skazhi  
Umerla, umerla Zamykai I lizhi  
Stanovis' nikakoi  
I ruka ne drozhit  
Vse v poryadke s rukoi Mozhno mstit, 'dvazhdy dva  
Na taksi I sosi,  
A prostit' nikogda  
Nikogda ne prosi Khoroshko, khoroshko  
Ya pridumala mest'  
Poroshok vse chto est'  
Umnozhayu na shest' Ne zvoni, ne zvoni  
Ya ustala, ya ustala  
Ya tebya ne khochu  
Ty menya zaye, la How did we ever get this far?  
It shouldn't have to be this hard  
Now for the first time in my life  
I'm flying Are we in love? Do we deserve  
To bear the shame of this whole world?  
And like the night we camouflage  
Denial Nikogda nichego  
Nichego ne nachat'  
Nikogda nikogo

Umirat' I molchat'Ne iskat', ne lyubit',  
    Ne zhalet' I ne spat'  
        Nikogda nikuda  
    Nikogo ne puskat'Ne vdvoem, I ub'em  
        Im prisnit'sya voda
