

Mmmh Mmmh

Young Fathers

It's a curious position
Head on collision
Mmmh mmmh
Schtum faced officers
Occupy the area
Play tough General
At the gates of Christiania
Procrastinate for dominance
Was easy now it's challenging
Mmmh mmmh
Baby faced charlatan
Mmmh mmmh
Was the only applicant
Mmmh mmmh
Accidental incident
Mmmh mmmh
Messing up your imminence
Mmmh mmmhAccidental incident
Was the only applicant
Baby faced charlatan
Was the only applicantMmmh mmmhSuffering Isaac
Colder than ice pick
Double ugly with a licence
I don't give a tinker's damn
I've not slept a wink
Many I slipped from the cup to the lip
Many I sipped that I sucked from this
Where's the compassion
What are the demands
Innovator or cash in
When you get too young it ain't fun
Everything they taught you is done
Let the engine run
Let the engine run
Let the engine burn
I got a sliver of insight from Vladamir's windpipe
And a handwritten invite
And a seven page doctrine
I'm watching you

Watching (Mmmh mmmh)
I'm watching you
Watching (Mmmh mmmh)
I'm watching you
Watching (Mmmh mmmh)
I'm watching you
Watching (Mmmh mmmh)
Mmmh mmmh Watch him there
Not much to be said
See him there
The end of your journey
You're not dead til I kill ya
You're not dead til I kill ya
Don't take my jewels
I said don't take my jewels Mmmh mmmh
