

That Would Be Something (Live Unplugged)

[Paul McCartney](#)

That would be something
Really would be something
That would be something
To meet you in the fallin' rain momma
To meet you in the fallin' rain To meet you in the fallin' rain momma
To meet you in the fallin' rain
That would be something
Really would be something
That would be something
To meet you in the fallin' rain momma
To meet you in the fallin' rain To meet you in the fallin' rain momma
To meet you in the fallin' rain
To meet you in the fallin' rain momma
To meet you in the fallin' rain
That would be something
Really would be something
That would be something
To meet you in the fallin' rain momma
To meet you in the fallin' rain
To meet you in the fallin' rain momma
To meet you in the fallin' rain To meet you in the fallin' rain momma
To meet you in the fallin' rain
To meet you in the fallin' rain momma
To meet you in the fallin' rain, wooh To meet you in the fallin' rain momma
To meet you in the fallin' rain
To meet you in the fallin' rain momma
To meet you in the fallin' rain To meet you in the fallin' rain momma
To meet you in the fallin' rain, wooh
To meet you in the fallin' rain momma
To meet you in the fallin' rain
