# Princess

## Short Stack

This incentive represents this dimly lit room just a minute in,
My heart beat beat climbs in sync with captivate me as you shed your skin,
(x2)
Princess,
Why you so contagious?
Every single step,
Breaks every single breath,
Tell me anything and everything will be ok,
It's exclusively elusive,
Loosely wrapping scars,
(Tell me anything and everything will be ok,
Tell me anything and everything will be ok,)
Eighteen cliches clash where we lay,
Overboard, You took my breath away,
Tell me anything and everything will be ok,
Tell me anything and everything will be ok,
Hey,
Hey,
Hey,
(x2)
Princess,
Why you so contagious?
Every single step,

Breaks every single breath,
Tell me anything and everything will be ok,
Princess,
Why you so contagious?
Every single step,
And every single breath,
Princess,
Why you so contagious?
Every single,
Babada, Babada,
Ohhhh,
(x2)
Princess,
Why you so contagious?
Every single step,

Breaks every single breath,
(Tell me anything and everything will be ok,)
(x2)
Princess,
(And everything will be ok,)
Why you so contagious?
Every thing you say,
And everything will be ok.
