

At Last

Kenny G

At last
My love has come along
My lonely days are over
And life is like a song Oh yeah yeah, at last
The skies above are blue
My heart was wrapped up in clover
The night I looked at you And I found a dream that I could speak to
A dream that I can call my own
I found a thrill to press my cheek to
A thrill that I have never known Oh yeah yeah, and you smile, you smile
Oh, and then the spell was cast
And here we are in Heaven
For you are mine at last
