

Confrontation

Otep

Don't be silent, fight
Violence, lies and disturbances of peace
Here's your introduction to destruction and the hate sustaining me
Are we safer or in danger drowning in atrocities?
Riot gear the slaves are here piling corpses high
It's the rich man's war but it's the poor that fight
More capitalist crimes, more enemies than allies
No WMD's, who gives a fuck if they die?
Just kill 'em all, watch 'em fall, skin the world with their lies
It's the rich man's war but it's the poor that fight
Stand up, speak out, strike back
Stand up, speak out, strike back
They don't know what they started
Confrontation
My religion of resistance challenging everything
Radicals and dissidents of creativity
We are the children of the siege, you hide
In this rich man's war where the poor just die
More deception and greed, more wars and disease
More lies from the high, mind that seek to deceive
A weak nation of need like silent thieves in the night
It's a rich man's war but it's the poor that die
Stand up, speak out, strike back
Stand up, speak out, strike back
They don't know what they started
Confrontation
Stand, fight, speak, fight, strike back
Stand, fight, speak, fight, strike back
They don't know what they started
Confrontation
This is my battle cry
Defy the lies of the tyrant race
With a fist in the air
And a finger in their face
Defy the tyrants, don't be silent
Defy the tyrants, don't be silent
Defy the tyrants, don't be silent
Defy the tyrants, don't be silent
Stand up, speak out, strike back
Stand up, speak out, strike back
They don't know what they started
Confrontation
Stand, fight, speak, fight, strike back
Stand, fight, speak, fight, strike back
They don't know what they started
Confrontation
Well there's no way they can stop us now
There's no way they can stop us now
There's no way they can stop us
So let them try, we fight or we die
