Goodbye

Caliban

Goodbye,
A word that makes me cry.
All the joy and all the fun
Are suddenly gone, goodbyeI can feel the cold steel on my shaking skinI stand alone with my thoughts
On a crossway to neverwhere,
Every end shows your tender face,A long kiss goodbye,
In my head the distance rises,
This sheer endless time of despair
GoodbyeI can feel the cold steel on my shaking skin,
Along kiss goodbyeI stand alone with my thoughts
On a crossway to neverwhere,
Every end shows your tender face,
A long kiss goodbye
My tears flow over,
The time just fans the fire,
Why can't you stay forever?
Whay can't you just pull the trigger
I wish this nightmare would end,
Goodbye
