

Mama Nature Said

Thin Lizzy

Mama Nature said
"It's murder what you've done
I sent you forth my brightest world
Now it's nearly gone""Birds and bees been telling me
You can't see, the forest for the trees
You cover up your lies with sympathies
And I got no solutions to your persecution"Mama Nature said
"I can't believe it's true
Ooh, I gave you life and food for thought
Look what did you do""You're killing my rivers, drowning my baby streams
Day by day, by day, by day, by day, I hear their screams
I'm so disillusioned
I'm so disillusioned"Mama Nature said
"You're guilty of this crime
Now it's not just a matter of fact
But a matter of time""Cruel will be the vengeance
So savage is the deed that's done
And I've got no solutions
To your own pollution""Oh you're so filthy
Deep down you're dirty too
Go get her, boy"
