Loretta Young Silks

Sneaker Pimps

Got answers for everyone endless excuses

Not habit for anyone 'cos I'm trying to break your click track heart

Seen a vision of perfect grace airbrushed and lifeless

All contempt and aftertaste, it's like I'm waiting for the scars to healYou sew Loretta Young Silks, fashioning your self-escape

You sew Loretta Young Silks, trading on your super waif

All style before content using me as bait

You sew Loretta Young Silks, swapping your love for hateSoft-focus for full appeal pictured as flawless No context for self-esteem, I'd be pushed to give you love on that

As far as the eye can see too much perfection

Pure substance for wannabes keeps you beating to a click track heartYou sew Loretta Young Silks, fashioning your self-escape

You sew Loretta Young Silks, trading on your super waif

All style before content using me as bait

You sew Loretta Young Silks, swapping your love for hateYou sew Loretta Young Silks, fashioning your selfescape

You sew Loretta Young Silks, trading on your super waif

All style before content using me as bait

You sew Loretta Young Silks, swapping your love for hateYou sew Loretta Young Silks, swapping your love for hate

You sew Loretta Young Silks, swapping your love for hate

You sew Loretta Young Silks, swapping your love for hate

You sew Loretta Young Silks, swapping your love for hate
