

Turn Up The Sun (1st Attempt)

Oasis

I carry a Madness,
Everywhere I go,
Over the border.
And back to the snow. So if you see me
And I look right through
You should not take it
As a reflection on you Come on, turn up the sun
Turn it up for everyone. Love one another
Love one another The boys in the bubble
Want to be free
They got so blind
That they cannot see Well I'm not your keeper,
I don't have your key.
I got a piano,
But I can't find the see Come one, turn up the sun
Turn it up for everyone Love one another
Love one another Come on, turn up the sun,
Turn it up, for everyone Love one another,
Love one another.
