I Got This Down

Simian Mobile Disco

I got this down right
I got this all tight
I got this down right
You got no place to hide
All night

I got this down right
I got this all tight
All night
I got this down right
You got no place to hide

I got this down right
I got this all tight
I got this down right
You got no place to hide
So all night

I got this down right
I got this all tight
Bring it on, wanna see
What you're looking at me?
You wannabe, all night

I got this down right
You got no place to hide
Watch me
What you looking at me?
You wannabe, dance all night

I got this down right
I got this all tight
I got this down right
So all night, all night

I got this down right
I got this all tight
I got this down right
So all night, so all night
